It's the beginning of a new year and before we look forward to what this year will bring, we would like to pause and look back at 2017. Last year was a tremendous year, not because it was our 125th anniversary or because we launched our Marché Bon Accueil but rather because it was YOU, our valuable donor who made it all possible. Your thoughtfulness, your support and in-kind donations throughout last year enabled us to shelter, feed and love the disadvantaged Montrealers at a higher level.

You are our star of 2017, our generous and self-giving donor that is why we give you a gold foil seal to adhere unto your certificate of appreciation to show you how much we appreciate YOU and all you do for Welcome Hall Mission.

We wish you and your company a prosperous 2018. Keep up the great work and please keep us in mind throughout this year as we work hard to put an end to homelessness and hunger in our community.

Together, let us continue to shelter, feed and love!

With sincere appreciation,
